Omer Muneer Qazi

AI Agent Developer

AI-enabled workflows · Tool and API integration · Operational automation

omermuneer@gmail.com | +92 321 7300266 | omermuneer.com

Professional profile

AI integration and automation practitioner with experience connecting application workflows, APIs, and business operations. At EverestX, technology work spans AI and ML integration and talent-platform workflows. Uses AI-assisted implementation across web and mobile delivery, with hands-on involvement in product decisions, validation, and the systems surrounding each workflow.

Relevant experience

EverestX

Led technology work spanning AI and ML integration, databases, and APIs. Implemented changes to parallelize video uploads and transcription work within talent onboarding, connecting processing behavior to the user journey.

Movo-X

Used AI-assisted development across patient applications, family health features, integrations, and release preparation. Remained involved in product decisions, implementation review, testing, and the connections between native interfaces and backend services.
